NeoNet Securities is an independent agency broker offering direct market access (DMA) equity trading on all the main Stock Exchanges in Europe, North America and Asia. NeoNet is a direct member of most of the exchanges it offers access to, and has developed its own proprietary market access technology and trading infrastructure to these markets.

NeoNet is listed on the OMX Nordic Exchange in Stockholm and has clients in over 20 countries globally. The company has offices and sales representation in France, Germany, Italy, Sweden, US and UK.

Why NeoNet

The main clients of NeoNet are buy-side institutions, banks, brokers, hedge funds and proprietary desks seeking **anonymous, un-conflicted, fast, reliable electronic execution** at very competitive conditions.

Electronic trading is fully combined with sales trader assisted trading on behalf of clients calling our trading desks in Stockholm and New York.
